

Our story

INTERSPACE ABI YOUNESS BROTHERS CO.

INTERSPACE is a family owned and operated business as has decades of expertise in the furniture field. Making its home in Byblos-Lebanon since 2004 as INTERSPACE, the company produces furnitures using the best of the materials, and we've always been known for great value of product and reliable service.

The recent economic downturn left us searching for new ways to create high-quality, inexpensive functional furnishings. Furniture is here to meet the basic home-furnishing needs. Therefore our predesigned and priced items will help you to organize your furniture budget. INTERSPACE is also an Interior Design firm. Our services can be structured to fit the particular needs. It's about helping the clients to develop their vision while analyzing their interior design requirements.

Whether you're furnishing your home, or your project (hotel, shop, apartments, chalets, . . .) or you simply feel like renovating and refurnishing, take a trip to INTERSPACE.

Our unique approach of finding furniture to fit your space and budget may surprise you.
